Adjustable Antenna Mount Bracket

For Less Traditional Bargeboards

LT-3205

User Manual

Specifications:

Dimensions: Mount Base: 175(H) x 133(W) mm
Support Pole: 38(Dia.) x 53.5(L) mm
Material: Iron

Instructions:

1. Select the installation location and mark the places where you have to drill.
Note: If the antenna that will be installed requires rotation, please allow enough space to do so.
2. Drill the necessary holes and fix the base using the included anchors.
3. Place the support in the base and fix using the screws, washers and nuts.
4. Loosen the screws to change the angle of the support pole, remember to tighten when it is adjusted to the angle of your preference.
