

User Manual SL-3146

Mini UV Fluoro Light with Torch

Instructions:

- Slide the switch towards “tube” to switch on the UV lamp.
- Slide the switch towards “torch” to switch on the torch.
- To switch off, slide the switch on the side to the center position.
- Please replace the batteries when the lamps begin to dim.
- If for any reason the UV tube has been removed, do not slide the switch to “tube” as this may damage the UV lamp drive circuit.
- Remove the batteries when the lamp is not to be used for some time.
- Do not get the unit wet.
- Do not attempt to open, modify or repair any part of the unit.
