Usage Notes

This product has been engineered with the utmost safety in mind, but please use common sense when using it.

1. Please double check the voltage of your electronic device before charging
2. Keep the product away from extreme heat or cold as well as flammable items or damp places. Avoid dropping, hitting or throwing the product.
3. Please fully charge your power bank at least once every three months to avoid shortening its lifespan.
4. Do not attempt to charge a device at the same time as charging the power bank as this is harmful to the battery.
5. Do not attempt to open or disassemble the unit as the battery may explode or catch fire.
