# Rechargeable Bluetooth® Audio Transmitter

Model:  
**AA2107**

## Instruction Manual

## BEFORE FIRST USE

Prior to using your product, please read all the safety and operating instructions thoroughly. Please ensure you follow the steps below before using the product. We recommend you keep the original packaging for storing the product when not in use.

Find a safe and convenient place to keep this instruction manual for future reference.

Unpack the product but keep all packaging materials until you have made sure your new product is undamaged and in good working order. Ensure you have all accessories listed in this manual.

## BOX CONTENTS

1 x Bluetooth audio adaptor  
(transmitter only)

1 x User Manual

## COMPATIBILITY

This device can be paired as a hands-free kit with any compatible Bluetooth enabled devices. Each time can only be connected with one Bluetooth device.

## PRECAUTIONS

Please read all safety instruction warnings carefully before using this product. Improper use of this product may result in damage to this or attached products. To ensure the products work well, please DON'T:

- Get the Adaptor wet
- Drop the Adaptor as this will invalidate your warranty
- Open up the Adaptor. There are no user serviceable parts inside
- Expose the Adaptor to extreme temperatures or rapid changes of hot to cold or vice versa

Please DO:

- Clean the Adaptor with a soft dry cloth and no detergents

## PRODUCT DIAGRAM

## OPERATING INSTRUCTIONS

### How to use the device

1. Press and hold the "POWER" button for 3 seconds to power on or power off the device.
2. The product will search the available Bluetooth devices automatically and the led light will be flickering in blue, when it is successfully paired with the Bluetooth devices the led light will stay in solid blue. If the LED indicator is on solid blue but it's not paired with your desired Bluetooth device, press the "POWER" button once to disconnect and re-connect.
3. The product will be powered off automatically if there is no Bluetooth devices can be paired in 10 minutes, please press and hold the "POWER" button for 3 seconds to restart the adaptor.

**NOTE:** Please make sure no other Bluetooth headphones are in pairing mode when you try to connect. The Adaptor will automatically connect to the previous Bluetooth headphones when both turned on.

### Playing in-flight entertainment

Simply plug the twin 3.5 mm mono jack plugs into the airline entertainment socket and you will now be able to listen with your Bluetooth headphones.

LED Status	Status
LED flash in blue	Bluetooth unpaired
LED light in solid blue	Bluetooth paired
Unavailable	Hands-free function
LED flash in red	Being charged
LED light off	Fully charged

- When the adaptor is paired with the Bluetooth devices, the LED will stay in solid blue.
- To decrease or increase the volume, please adjust on your desktop computer, TV etc.

### Charging the Bluetooth Audio Transmitter

It is recommended that you give the adaptor a full charge before its first use.

1. The LED light will stay in solid red when the device is in being charged, the red LED light will be turned off when the charging is finished;
2. Plug the TYPE-C end of the charge cable into the adaptor TYPE-C charge port;
3. Plug the standard USB cable end into either a computer or a USB mains charger;
4. The LED indicator will be solid red whilst charging;
5. When charging is complete, the LED indicator will turn off;

**NOTE:** It may take up to 2.5 hours before the adaptor is fully charged.

## WARRANTY INFORMATION

Our product is guaranteed to be free from manufacturing defects for a period of 12 Months.

If your product becomes defective during this period, Electus Distribution will repair, replace, or refund where a product is faulty; or not fit for intended purpose.

This warranty will not cover modified product; misuse or abuse of the product contrary to user instructions or packaging label; change of mind and normal wear and tear.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and failure does not amount to a major failure.

To claim warranty, please contact the place of purchase. You will need to show receipt or other proof of purchase. Additional information may be required to process your claim.

Any expenses relating to the return of your product to the store will normally have to be paid by you.

The benefits to the customer given by this warranty are in addition to other rights and remedies of the Australian Consumer Law in relation to the goods or services to which this warranty relates.

This warranty is provided by:
