COMPATIBILITY

AURACAST Receiver (RX) Mode:

It can be plugged into non-Auracast speakers or headphones to receive broadcast signals from nearby Auracast transmitters.

AURACAST Transmitter (TX) Mode:

It can be plugged into non-Auracast smart devices, allowing multiple nearby Auracast-enabled devices to receive and connect to its signal.

PRODUCT OVERVIEW

OPERATING INSTRUCTIONS

TX Mode with 3.5m Aux Cable (connect to TV)

1. Press and hold the Power button to power on the device.
2. Once successfully connected, the device will automatically search for and connect to nearby AuraCast broadcasts (e.g., from a compatible TV) (Blue & White lights flash)

TX Mode without 3.5m Aux Cable (connect to Phone)

1. Press and hold the Power button to power on the device.
2. Press AuraCast button
3. On your phone, enable Bluetooth, search for the device named "AA2302", and pair with it.

Once successfully connected, other nearby AuraCast-enabled devices can now discover this transmitter's broadcast.

RX Mode

1. Press and hold the Power button to power on the device.
2. Long Press AuraCast button, then Short press the Auracast Button again
3. Plug the device into the 3.5mm AUX input port of your speaker or headphone.

Once successfully connected, the device will now automatically receive and play the audio from nearby AuraCast broadcasts.

How to reset?

Press and hold the two buttons for about 10 seconds, AA2302 will automatically shut down , indicating that reset is successful.

WARRANTY INFORMATION

Our product is guaranteed to be free from manufacturing defects for a period of 12 Months.

If your product becomes defective during this period, Electus Distribution will repair, replace, or refund where a product is faulty; or not fit for intended purpose.

This warranty will not cover modified product; misuse or abuse of the product contrary to user instructions or packaging label; change of mind and normal wear and tear.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law.

You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and failure does not amount to a major failure.

To claim warranty, please contact the place of purchase. You will need to show receipt or other proof of purchase. Additional information may be required to process your claim.

Any expenses relating to the return of your product to the store will normally have to be paid by you.

The benefits to the customer given by this warranty are in addition to other rights and remedies of the Australian Consumer Law in relation to the goods or services to which this warranty relates.

This warranty is provided by:
