FEATURES

- Using 2.4g digital Wireless technology, the work is stable and reliable operation
- Adaptive digital ID mode, automatic pairing and online, can be used at the same time without interfering with each other. Digital audio processing is used for transmitting and receiving, with clear sound quality and high sensitivity. The transmitter has a built-in polymer lithium battery, which can be recharged.
- The 3.5/6.35mm interface is widely used in audio equipment such as amplifiers, power amplifier computer.
- Using digital circuit processing technology, the signal-to-noise ratio reaches 95dB, and the long-term use time is about 18 hours

PRODUCT OVERVIEW

BOX CONTENTS

- 1 x Transmitter
- 1 x Receiver
- 1 x 3.5mm to 6.5mm audio conversion head
- 1 x USB cable
- 2 x Cotton sponge
- 1 x User manual

USAGE INSTRUCTIONS

1. When the receiver is turned on, it will automatically enter the code matching, and the blue light will flash. If there is no transmission to connect with it, it needs to be switched on and off again.
2. When the transmitter is turned on, it will automatically enter the code matching, and the blue light will flash. If the code matching is successful, it will be automatically connected and the blue light will be on for a long time.

This product is equipped with one charging and two charging cables. which can be charged, received and transmitted at the same time. The working light is red during charging, and the light is off when fully charged.

When using, try to keep the receiving and transmitting distance of about 1 meter to avoid unnecessary whistling. When there is whistling, please adjust the volume button to a proper state.

ASSEMBLY INSTRUCTIONS

WARRANTY INFORMATION

Our product is guaranteed to be free from manufacturing defects for a period of 12 Months.

If your product becomes defective during this period, Electus Distribution will repair, replace, or refund where a product is faulty; or not fit for intended purpose.

This warranty will not cover modified product; misuse or abuse of the product contrary to user instructions or packaging label; change of mind and normal wear and tear.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and failure does not amount to a major failure.

To claim warranty, please contact the place of purchase. You will need to show receipt or other proof of purchase. Additional information may be required to process your claim.

Any expenses relating to the return of your product to the store will normally have to be paid by you.

The benefits to the customer given by this warranty are in addition to other rights and remedies of the Australian Consumer Law in relation to the goods or services to which this warranty relates.
