## AR3138 OVERVIEW

### WHAT YOUR AR3138 CAN DO

- Answer, end, decline incoming calls.
- Deliver great sound and noise cancellation with the HD voice microphone.
- Last number redial.
- Connect with two mobile phones simultaneously.
- Voice notification for incoming call number.
- Voice commands to allow easy call interaction while driving (Say "YES" to answer or say "NO" to decline an incoming call).
- Voice guidance for pairing instructions and connection status.
- Play music and GPS via your connected mobile device.
- Power on/off automatically.
- Activate Siri on iPhone or Android phone commands. (Phone dependent)

## POSITIONING YOUR AR3138

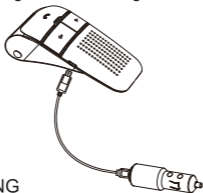

Clip the AR3138 to the sun visor in your vehicle.

## CHARGING YOUR AR3138

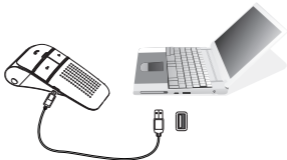

### IN-CAR CHARGING

Connect your AR3138 with the USB cable to the Car Charger before plugging the Charger into the car lighter socket equipped in your vehicle

### PC CHARGING

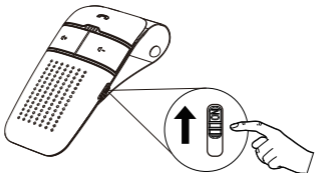

Connect your AR3138 with the USB cable to any powered USB slot on your PC.

## GETTING STARTED

### TURNING ON YOUR AR3138

Slide the ON/OFF button to turn the AR3138 on or off.

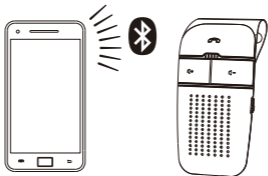

### FIRST TIME PAIRING

The first time the AR3138 is turned on, voice guidance will guide you through pairing with your mobile phone.

1. Turn on the AR3138.

2. The answer key flashes red and blue alternatively, you will then hear a voice prompt "Power on, Pairing". Bluetooth will need to be activated on your mobile phone. If asked for a passkey or PIN during pairing, please enter 0000.

NOTE: After the AR3138 and a mobile phone have been paired, they will automatically connect whenever the AR3138 is switched on and the mobile phone has Bluetooth activated within range.

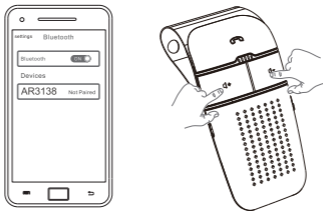

## PAIRING WITH ANOTHER MOBILE PHONE

1. Turn on your AR3138.

2. Long press the **Volume +** and **Volume -** button simultaneously for 2.5 seconds to disconnect the Bluetooth link with the first device and waiting for pairing the second Bluetooth enabled mobile phone.

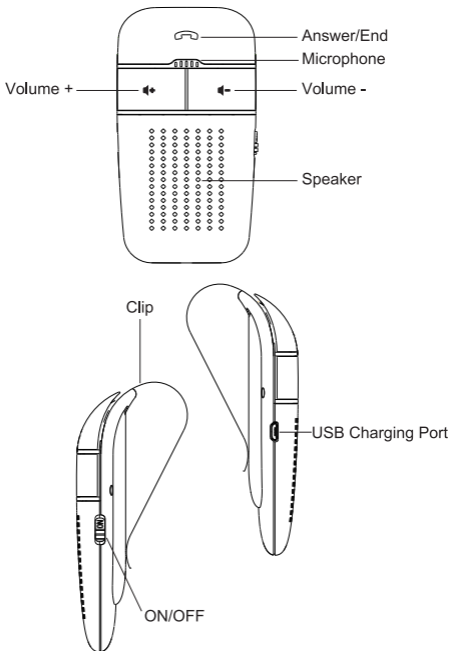

3. Activate Bluetooth on the second mobile phone and select AR3138. If asked for a passkey or PIN during pairing, please enter 0000.

4. Select the AR3138 from the list of My Devices or Paired Devices on the first mobile to connect the AR3138 again.

# HOW TO USE YOUR AR3138 WITH YOUR MOBILE PHONE

## FAQ

### **Q I hear crackling noises**

A Bluetooth is a radio technology that is sensitive to objects between the AR3138 and the connected device. Ensure the AR3138 and the connected device are within 33 feet (10 meters) of each other, with no major objects in the way (walls, etc.).

### **Q I cannot hear anything**

A - Increase the speaker volume.  
- Ensure the AR3138 is paired to a device that is playing.  
- Make sure your phone is connected to the AR3138.

### **Q I am having pairing problems**

A You may have deleted the AR3138 pairing connection in your mobile phone. Follow the pairing instructions.

### **Q Will the AR3138 work with other Bluetooth equipment?**

A The AR3138 is designed to work with Bluetooth mobile phones. It can also support other Bluetooth devices that are compliant with Bluetooth version 2.1 or higher and support a headset, hands-free and/or advance audio distribution profile.

### **Q I cannot activate the phone commands by long pressing the Answer/End button?**

A This feature requires your mobile phone to support voice commands. Refer to your mobile phone user manual for more details.

## HOW TO TAKE CARE OF YOUR AR3138

- Always store the AR3138 with the power off safely protected.
- If do not use the AR3138 for long time, please charge at least once within one month, in order to prevent the lithium battery from getting damaged because of excessive energy consumption.
- Avoid storage at extreme temperatures (above 45°C/113°F or below -10°C/14°F). This can shorten battery life and may affect operation. High temperatures may also degrade performance.
- Do not expose the AR3138 to rain or other liquids.
