BEFORE FIRST USE

Prior to using your product, please read all the safety and operating instructions thoroughly. Please ensure you follow the steps below before using the product. We recommend you keep the original packaging for storing the product when not in use.

Find a safe and convenient place to keep this instruction manual for future reference.

Unpack the product but keep all packaging materials until you have made sure your new product is undamaged and in good working order. Ensure you have all accessories listed in this manual.

OPERATING INSTRUCTIONS

Powering the Music Station

1. Take off the cover of the power cord.
2. Insert the plug to the power source.

> **NOTE: The machine is designed and used in Australia and New Zealand only. Using machine in other countries and areas might result in default due to different standard of plug/power source.**

> **NOTE: The machine is not powered by alkaline batteries. The battery bay at the back of the machine is for time back up only.**

Powering the remote control

1. Open the battery compartment on the back of the remote.
2. Check the polarity (+/-) inside the battery compartment.
3. Insert two AAA (LR03) batteries (NOT INCLUDED) according to the polarity.
4. Re-close the battery door.

> **WARNING: Please always ensure batteries are correctly installed. Incorrect polarity can damage your machine. Never mix old and new batteries. Never mix alkaline, standard (carbon-zinc) and rechargeable (nickel-cadmium) batteries. If you are not planning to use your CD Player for an extended period of time, always remove the batteries. Old or leaking batteries can cause damage to the unit and may void the warranty. Never dispose of batteries in a fire - batteries can leak or explode.**

Time Setting

1. Make sure the unit is in Standby mode.
2. Press Time on the machine/remote
3. Select Time Display in 12 hour or 24 hour mode by using Forward Skip. Press Time to confirm.
4. Adjust the hour by Forward / Backward Skip. Confirm by press time button. Please note that the AM/FM is displayed on the left of the display if you are using 12 hour time display mode only.
5. Adjust the minute by Forward / Backward Skip. Confirm by pressing time button.

> **NOTE: The machine has no alarm function**

To start

Press Power button on the Unit or remote to start.

The machine supports;

- CD/MP3 disc;
- USB contains MP3 files;
- Bluetooth (Ver. 5.3);
- FM radio (87.5 – 108MHz);
- AM radio (522 – 1620kHz);
- Auxiliary (aux-cord not included)

The machine does memorize the mode and radio station you stopped last time.

The machine does not memorize the song / music you were listening to last time, either from a disc or USB

WARRANTY INFORMATION

Our product is guaranteed to be free from manufacturing defects for a period of 12 Months.

If your product becomes defective during this period, Electus Distribution will repair, replace, or refund where a product is faulty; or not fit for intended purpose.

This warranty will not cover modified product; misuse or abuse of the product contrary to user instructions or packaging label; change of mind and normal wear and tear.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and failure does not amount to a major failure.

To claim warranty, please contact the place of purchase. You will need to show receipt or other proof of purchase. Additional information may be required to process your claim.

Any expenses relating to the return of your product to the store will normally have to be paid by you.

The benefits to the customer given by this warranty are in addition to other rights and remedies of the Australian Consumer Law in relation to the goods or services to which this warranty relates.

This warranty is provided by:
