

MINI TORNADO R/C STUNT CAR

AGES 6+

Contents

Carx1

Transmitter 1

Preparation

- Use a screwdriver to loosen the screw on battery cover of transmitter by counter-clockwise, take out the battery cover according arrow direction.

- Inert the battery in the positive direction first, and then the battery in the negative direction, and tighten the screws clockwise.

USB charging

Turn the power switch of the remote control to the "ON" position, then open the charging cover on the remote control and take out the charging plug. Insert the charging plug into the charging port of the stunt car, the charging indicator will light up, indicating that charging is in progress. When the charging indicator turns off automatically, it means charging is complete. When the green light flashes during charging, it indicates that the remote control battery is not sufficiently charged.

Operation

- When in use, turn the car switch to "ON", the car's code matching light will flash, indicating that it is turned on. Turn the power of the remote control to "ON". Complete the code matching with the car, and then you can use it normally after the code is completed. After use, please turn off the power switch.

(Power Switch)

(Code matching light)

2. Function of transmitter buttons:

- Press the button of the remote control to start the stunt car. The function indicator on the remote control will light up as the button of the remote control is pressed (press any button of the remote control, the function indicator of the remote control will light up).
- When pressing the forward/backward button, the stunt car can go forward/backward.
- When pressing the left/right button, the stunt car can rotate left/right.

Warranty Information

Our product is guaranteed to be free from manufacturing defects for a period of 12 Months. If your product becomes defective during this period, Electus Distribution will repair, replace, or refund where a product is faulty; or not fit for intended purpose. This warranty will not cover modified product; misuse or abuse of the product contrary to user instructions or packaging label; change of mind and normal wear and tear. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and failure does not amount to a major failure. To claim warranty, please contact the place of purchase. You will need to show receipt or other proof of purchase. Additional information may be required to process your claim. Any expenses relating to the return of your product to the store will normally have to be paid by you. The benefits to the customer given by this warranty are in addition to other rights and remedies of the Australian Consumer Law in relation to the goods or services to which this warranty relates.
