

NETSTAR

VBU114 Tracker

Water Resistant Wired GPS Tracker

Water Resistant Wired GPS Tracker

Keep your vehicles safe with the Netstar Water Resistant Wired GPS Vehicle Tracker. An affordable 4G LTE & IoT tracking device that gives you peace of mind with reliable monitoring.

Key Features:

- **Water Resistant:** The device is IP67 rated.
- **Advanced Motion Detection:** 3-axis motion sensor for movement and impact alerts.
- **Driver Insights:** Measures vehicle speed and monitors driver behaviour, including harsh braking, cornering, and acceleration.
- **Real-Time Monitoring:** Live 24/7 tracking through Fleet AI with instant alerts for disconnection, geofence alarms, and more.
- **Fast, Reliable Connectivity:** Operates on the 4G network for seamless tracking.
- **Comprehensive Reporting:** Delivers data every 30 seconds during trips and hourly when idle.
