

# Ultra Thin Indoor TV Antenna UHV/VHF

Model:  
**LT3306**

Please read and save all instructions to ensure safe and effective use of this product.

## Instruction Manual

## INTRODUCTION

This antenna can be powered by an external adapter (USB adapter included), or by TV/set-top box via coaxial cable.

## BOX CONTENTS

- Antenna unit with USB cable
- USB power adapter
- Double-sided stickers x3
- Pins x2

## FEATURES

- Ultra Thin and Lightweight Soft Design
- With high gain and low noise inline amplifier Multi-positioning for best possible reception
- Excellent reception for digital, free view and analog TV signals
- With double sided stickers and pins for convenient multi-positioning on wall, window, boards etc
- Compatible with HDTV of various digital terrestrial signal(DVB-T, DVB-T2, ISDB-T, DMB-T/H, ATSC).

## SETTING & CONNECTIONS

- Connect the antenna coaxial cable to TV or set-top box.
- Connect the USB plug to the USB power adapter, then plug into AC power.
- After all the connections have been done properly, turn on the television set and select a TV program, then adjust the antenna position until you get the best signal reception.

**Installation 1:** Directly connected to TV

**Installation 2:** Connected through set-top box

## OPERATION INSTRUCTION

For the best reception, please check the following conditions.

1. Keep the antenna away from the sources of interference and those big power consumption devices, such as air conditioner, elevator, hair dryer and microwave oven, etc.
2. Place the antenna near the windows under indoor environment.
3. In digital terrestrial reception, interceptions between antenna and transmission tower will cause signal loss temporarily. Please install the antenna as high as possible to reduce interceptions.

## SPECIFICATIONS

<b>Frequency range</b>	VHF:47-230MHz; UHF:470-694MHz

<b>Output level</b>	100dB $\mu$ VMax
<b>Impedance</b>	75 $\Omega$
<b>Noise Figure</b>	$\leq$ 3dB
<b>Power</b>	DC 5V 50mA
<b>Power supply</b>	via USB cable (DC 5V/50mA) or via DTV set-top box (DC 5V/40mA)
<b>Dimensions</b>	338 x 236 x 1.2 mm
<b>Cable length</b>	5m

## WARRANTY INFORMATION

Our product is guaranteed to be free from manufacturing defects for a period of 12 Months.

If your product becomes defective during this period, Electus Distribution will repair, replace, or refund where a product is faulty; or not fit for intended purpose.

This warranty will not cover modified product; misuse or abuse of the product contrary to user instructions or packaging label; change of mind and normal wear and tear.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law.

You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and failure does not amount to a major failure.

To claim warranty, please contact the place of purchase. You will need to show receipt or other proof of purchase. Additional information may be required to process your claim.

Any expenses relating to the return of your product to the store will normally have to be paid by you.

The benefits to the customer given by this warranty are in addition to other rights and remedies of the Australian Consumer Law in relation to the goods or services to which this warranty relates.

This warranty is provided by:
