MB3222

6-Channel Compact Battery Charger

Instruction Manual

Please read and save all instructions to ensure safe and effective use of this product.

I . Features and Specifications

1. USB type C DC 5V/1A input,easy to carry and use.
2. Charging battery type:Ni-MH/Cd(AA/AAA)and 9V 6F22 battery.Need to be charged in pairs.
3. Using many kinds of stop charging technology,and protection function, ensures safe charging.
4. The microcomputer management system controls the charging intelligently,and does not need to calculate the time when charging. Auto shutdown protection.

II . The description of light status and protection function.

The charger has two white LED indicators, corresponding to two groups of battery slots.

1.Indicator status description:

- 1.1 Power on instructions: when the USB charging cable is connected to the charger from a suitable power source, the indicator light will turn on and then off after 1.5s, indicating that the charger self-test is normal.
- 1.2 Charging instructions: After the power-on self-test is normal, place in the batteries, and the corresponding LED light of the slot starts to flash to indicate that charging is being performed. After the charging is completed, the LED light remains on, indicating that the charging is completed.

1

2. Charge detection,charge protection function

Description:

- 2.1 maximum voltage protection function;
- 2.2 negative voltage detection function;
- 2.3 zero voltage detection function;
- 2.4 reverse protection function;short circuit protection;
- 2.5 bad battery detection function:put in a bad battery, the light is not bright;
- 2.6 Non -rechargeable battery detection:put a non-rechargeable battery, automatic stop charging after pre-charging;
- 2.7 maximum charge time protection function;
- 2.8 Input power detection,when the input power is detected to be insufficient,the two LED lights flash at the same time.

III.Electric Technical Parameters

1. Input: DC 5V/1A;
2. Output: Ni-MH/Cd 2.96V 300mA*2 (270-330mA)
Ni-MH/Cd 9V 30mA*2 (25-35mA)

IV.Appearance characteristics

1. Dimension
Size of charger: 75*68*25mm
2. Weight
Charger: 58±5g

2

V . Packing and Storage

1. Packing

Color box packaging

2. USB type C cable

USB type C: 60±5cm length,black

3. Storage

This product should be stored in a clean,dry and ventilated room with an ambient temperature of-20°C -80°C. Avoid contact with corrosive properties and keep away from fire.

VI. Notice

1. Please use in an indoor dry environment.
2. The charger can prevent short circuit of charger itself, but can not prevent short circuit of battery itself.
3. Do not reorganize or disassemble the product.
To avoid damage to the product due to collisions and shocks.
4. This product is suitable for capacity≤3000mAh Ni-MH/Ni-Cd(AA/AAA)battery with any combination of charging.
5. Use this product within the temperature range of 0°C-40°C.

Warranty Information

Our product is guaranteed to be free from manufacturing defects for a period of 12 Months.
If your product becomes defective during this period, Electus Distribution will repair, replace, or refund where a product is faulty; or not fit for intended purpose.
This warranty will not cover modified product; misuse or abuse of the product contrary to user instructions or packaging label; change of mind and normal wear and tear. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and failure does not amount to a major failure.
To claim warranty, please contact the place of purchase. You will need to show receipt or other proof of purchase. Additional information may be required to process your claim.
Any expenses relating to the return of your product to the store will normally have to be paid by you.
The benefits to the customer given by this warranty are in addition to other rights and remedies of the Australian Consumer Law in relation to the goods or services to which this warranty relates.

This warranty is provided by:
