

# USER MANUAL

## 2600mAh

### Metallic Portable Power Bank

**MODELS: MB-3792, MB-3793, MB-3794**

#### PRODUCT FEATURES:

- Charge your phone, tablet or other mobile device without the need for a power outlet
- Pocket-size design is perfect for portable use
- USB port provides up to 5V, 1A of power for charging your mobile devices
- 2600mAh capacity charges devices at maximum power draw for hours
- Battery-power LED indicator for self-charging and USB device charging

#### PACKAGE CONTENTS:

- 1 X 2600mAh Metallic Power Bank
- 1 X 50cm Micro USB to USB-A charging cable
- 1 X User Manual

#### USB DEVICE CHARGING:

##### Note:

- When the Power Bank's battery is less than 10% during a device charge, the Blue LED indicator will blink.
- When the Power Bank's battery is between 10% and 100% during a device charge, the LED indicator light will be illuminating solid.

1. Connect your mobile device to the USB-A port on the Power Bank using the included USB Micro-B cable or a USB cable suitable for your device.

2. The device will begin charging with the LED indicator light illuminating, as stated above.

#### POWER BANK CHARGING:

##### Note:

- When charging the Power Bank, the Red LED indicator light will blink when the battery is between 0 and 99%.
- When the Power Bank is charged to 100%, the Red LED indicator light will illuminate solid.

1. Using the included USB Micro-B cable, connect the Micro-B port located on the Power Bank to the USB-A port on a computer or USB Charger.
2. The Mobile Power Bank will begin charging with the LED indicator light illuminating, as stated above.
