## Product diagram

## Installation

- 1) Simply insert the DC plug into the cigarette lighter power socket of your vehicle.
- 2) Make sure it is fully secured once plugged in.
- 3) Use the included adhesive stickers to fix the base to the desired location.

## How to charge your USB mobile device

- 1) Start the vehicle.
- 2) Make sure the DC plug is fully inserted into your cigarette lighter power socket.
- 3) Plug one end of your original USB cable into any of the 3 USB charging sockets, and the other end into your mobile device.
- 4) Turn on the switch.
- 5) Charging should begin automatically.

**Note: Please turn off the switch when you leave the car for power-saving.**

## WARRANTY INFORMATION

Our product is guaranteed to be free from manufacturing defects for a period of 12 Months.

If your product becomes defective during this period, Electus Distribution will repair, replace, or refund where a product is faulty; or not fit for intended purpose.

This warranty will not cover modified product; misuse or abuse of the product contrary to user instructions or packaging label; change of mind and normal wear and tear.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and failure does not amount to a major failure.

To claim warranty, please contact the place of purchase. You will need to show receipt or other proof of purchase. Additional information may be required to process your claim.

Any expenses relating to the return of your product to the store will normally have to be paid by you.

The benefits to the customer given by this warranty are in addition to other rights and remedies of the Australian Consumer Law in relation to the goods or services to which this warranty relates.

This warranty is provided by:
