

Warranty Information

Our product is guaranteed to be free from manufacturing defects for a period of 12 Months.

If your product becomes defective during this period, Electus Distribution will repair, replace, or refund where a product is faulty; or not fit for intended purpose.

This warranty will not cover modified product; misuse or abuse of the product contrary to user instructions or packaging label; change of mind and normal wear and tear.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and failure does not amount to a major failure.

To claim warranty, please contact the place of purchase. You will need to show receipt or other proof of purchase. Additional information may be required to process your claim.

Any expenses relating to the return of your product to the store will normally have to be paid by you.

The benefits to the customer given by this warranty are in addition to other rights and remedies of the Australian Consumer Law in relation to the goods or services to which this warranty relates.

Low power consumption
High sensitivity
Low maintenance
Easy and comprehensive installation
Night Vision Camera

Specifications

Image sensor type	CMOS
Image sensor Model	PC7070
Image sensor size	1/3.7"
Image sensor manufacturer	Pixelplus Korea
Video Format	PAL/NTSC
Lens Angle PAL/NTSC	60°~170°
Effective Pixels PAL/NTSC	672H×492V
horizontal resolution (TVL)	420
White Balance	automatic
Back light Compensation	automatic
car reversing distance line	Three color
S/N Ratio:	>47.2dB
Sensing Area	3.8mmx2.9mm
Minimum Illumination	8.0(V/lux.sec)
Power Supply	12V
Rated voltage	analog:2.8V
Consumption Current	60~110mA
Operating Temperature/Humidity	-40℃~+105℃
Storage Temperature/Humidity	-50℃~+150℃
Waterproof	IP68
