User Manual

Please read and save all instructions to ensure safe and effective use of this product.

GENERAL INFORMATION & SAFETY INSTRUCTIONS

· Don' t use the inspection camera with other manufacturers camera parts.
· Don' t use the inspection camera in areas where it may be exposed to live wires, as the exposed metal parts can be electrically conductive and may cause harm.
· This inspection camera is not intended for medical use.
· Keep the product clean, avoid exposure to the sun, or direct contact with water, oil and corrosive liquids.
· Use the original USB cable for charging.

WARNING: This inspection camera NOT WATERPROOF! But IP67 Water-proof lens, Please dry the water stain on the lens after use.

WARNING: The manufacturer is not responsible for any potential injury from misuse.

WARNING: Don't use the inspection camera in a high temperature environment (below 70°C)
BEFORE FIRST USE

Prior to using the inspection camera, please read all the safety and operating instructions thoroughly. Please ensure you follow the steps below before using the product. We recommend you keep the original packaging for storing the product when not in use.

Please pay close attention to the section entitled Important Safety and General Instructions. Find a safe and convenient place to keep this instruction manual for future reference.

Unpack the product but keep all the packaging materials until you have made sure your new product is undamaged and in good working order. Ensure you have all accessories listed in this manual. Plastic wrapping can be a suffocation hazard for babies and children so ensure all packaging materials are out of their reach.

WARRANTY

Our product is guaranteed to be free from quality and manufacturing defects for a period of 12 Months.

If your product becomes defective during this period, Electus Distribution will repair, replace, or refund where a product is faulty; or not fit for intended purpose.

This warranty will not cover modified product; misuse or abuse of the product contrary to user instructions or packaging label; change of mind and normal wear and tear.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and failure does not amount to a major failure.

To claim warranty, please contact the place of purchase. You will need to show receipt or other proof of purchase. Additional information may be required to process your claim. Should you not be able to provide proof of purchase with a receipt or bank statement, identification showing name, address and signature may be required to process your claim.

Any expenses relating to the return of your product to the store will normally have to be paid by you.

The benefits to the customer given by this warranty are in addition to other rights and remedies of the Australian Consumer Law in relation to the goods or services to which this warranty relates.

This warranty is provided by:
