

POWERTECH
Battery Tester

QP2244

Instruction Manual

Please read and save all instructions to ensure safe and effective use of this product.

At a Glance

- ①. Battery Percentage
- ②. Remaining Battery Power
- ③. Voltage (V)
- ④. Self-test Button
- ⑤. Battery Slot
- ⑥. Test Leads
- ⑦. Power Supply Battery Slot

· Tip: Make sure the power supply battery has enough power before use

Measurable Battery Types

Voltage	Battery Type
1.2V	Ni-MH/CD A, AA, AAA, AAAA, C, D, & more rechargeable battery types
1.45V	A10, A13, A312, A675, & more button cell battery types.
1.5V	Alkaline dry batteries & button cells
3.0V	Li-ion cylindrial batteries & button cells
3.2V	LiFePo4 batteries
3.7V	Li-ion batteries
6.0V	Li-ion battery pack
9.0V	Alkaline/Ni-MH/Li-ion
12V	Alkaline batteries

Getting Started

- Confirm battery type and select corresponding slot
- Button cells, 9V, 6V (Li-Mn combination) and 3V (camera battery) can be placed directly into corresponding slots for testing

- For cylindrical batteries, ensure contact with the correct positive and negative terminals before testing

- After inserting the battery, maintain good contact, and the tester will display battery percentage and voltage in 2-3 seconds

Attention

- Keep away from liquid and moisture
- Avoid dropping the product
- Do not disassemble
- Avoid using in extremely high or low temperatures

Warranty Information

Our product is guaranteed to be free from manufacturing defects for a period of 12 Months.
If your product becomes defective during this period, Electus Distribution will repair, replace, or refund where a product is faulty; or not fit for intended purpose.
This warranty will not cover modified product; misuse or abuse of the product contrary to user instructions or packaging label; change of mind and normal wear and tear.
Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and failure does not amount to a major failure.
To claim warranty, please contact the place of purchase. You will need to show receipt or other proof of purchase. Additional information may be required to process your claim.
Any expenses relating to the return of your product to the store will normally have to be paid by you.
The benefits to the customer given by this warranty are in addition to other rights and remedies of the Australian Consumer Law in relation to the goods or services to which this warranty relates.

This warranty is provided by:
