

ST3532

LED Head Torch

with Rechargeable Battery

Instruction Manual

WARNINGS & SAFETY INFORMATION

Please read through these operating instructions carefully and thoroughly. These instructions form part of the product and contain important start-up and handling information. Always observe all the safety instructions. Please keep these instructions in a safe place, and pass them on, if necessary, to third parties.

Warning

- This battery is recyclable. "Please follow the enforced recycling regulations" or "please return for recycling". Also, it can be powered by the regular (3)AAA dry battery. To remove the 3.7V 800mAh Li-po battery or 3AAA dry battery, please refer to the photo on the last page.
- The light source contained in this luminaire shall only be replaced by the manufacturer or his service agent or a similar qualified person.
- Make sure to dispose of packaging according to the applicable guidelines of your local authority in a professional / environmentally friendly manner. Devices marked with the crossed-out waste bin do not belong Household waste! You are obliged to return these devices to one of the free collection points in your municipality. You can get more information from your local government, the responsible town hall or a local or regional waste disposal company.
- Please fully charge before first use.
- Do not use a modified or damaged charger.
- Please do not turn on the light when charging.
- Please do not leave the lamp charging over 24 hours.
- Please do not disassemble the device and do not replace the batteries.
- Please recharge the lamp every six months when in stock.
- This device utilizes a rechargeable Lithium-ion battery that can rupture, ignite and cause serious injury if being used improperly.

Intended Use

- The head torch can work well in various places, like construction site. You can use it in relatively tough scenes but not in harsh environment.
- The light source of this luminaire is not replaceable; when the light source reaches its end of life the whole luminaire shall be replaced.

Battery Precautions

- DO NOT place batteries and devices in the fire or high temperature.
- DO NOT tamper with battery wiring.
- DO NOT puncture or damage the batteries.
- DO NOT use the batteries that appear damaged.
- DO NOT immerse or expose the batteries to the water.

USAGE INSTRUCTIONS

- On first use, please charge the headlamp with Type C USB Cable.
- Battery indicator: Charging: red light on / Charged: green light on

WARRANTY INFORMATION

Our product is guaranteed to be free from manufacturing defects for a period of 12 Months.

If your product becomes defective during this period, Electus Distribution will repair, replace, or refund where a product is faulty; or not fit for intended purpose.

This warranty will not cover modified product; misuse or abuse of the product contrary to user instructions or packaging label; change of mind and normal wear and tear.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and failure does not amount to a major failure.

To claim warranty, please contact the place of purchase. You will need to show receipt or other proof of purchase. Additional information may be required to process your claim.

Any expenses relating to the return of your product to the store will normally have to be paid by you.

The benefits to the customer given by this warranty are in addition to other rights and remedies of the Australian Consumer Law in relation to the goods or services to which this warranty relates.

This warranty is provided by:
