# XC4334 User Guide

XC4334 User Guide

To use the T-type adapter, you can either directly plug onto the connections on the board using jumper wires, or as shown in this example we have mounted the XC4334 onto a breadboard from our range (PB8820).

| Colour | Type |
|---|---|
| | Power output from Micro:bit |
| | Ground connections |
| | GPIO 0 to 20 |
